<b>Base:</b>	Height: 80mm Width: 350mm

The Retractable Belt Bollard w/ Rubber Base is perfect for organising lines, queues or to section off an area of your floor space to restrict public access. They feature a Red/White retractable belt made of woven nylon and a weighted base that makes them very difficult to topple over. Requiring simple self-assembly to combine post and base, this pedestrian management solution is ideal for high traffic areas.
